2019/0167/P	Joanne Wales	27/02/2019 17:32:42	COMMNT	<p>We would like confirmation that these are still the same plans shown to us on 22Nov 2017. These showed that the height would not exceed that of 122 Arlington Road next-door. We would also like more details on the materials to be used. The development of Mornington Gym ended up being an extra storey high to the plans submitted to fellow residents. We would not like to see such a flagrant deviation here. We were also assured there would be no access to outside space for the building residents.</p> <p>For info - we are still awaiting conclusion of Right for Light issue.</p>
