- P2 Development likely to affect the site of a scheduled monument
- P3 Development likely to affect any battlefield or a Grade I or II* park or garden of special historic interest which is registered in accordance with section 8C of the Historic Buildings and Ancient Monuments Act 1953

Basis for this - Town and Country Planning (Development Management Procedure) (England) Order 2015 - article 18 and Schedule 4.

- P4 Development likely to affect certain strategically important views in London

Basis for this - Secretary of State for Communities and Local Government Directions relating to Protected Vistas 2012

Notification:

Development which the local authority (or Secretary of State) think would affect:

- P5 The setting of a Grade I or II* listed building; or
- P6 The character or appearance of a conservation area where
 - i) the development involves the erection of a new building or the extension of an existing building; and
 - ii) the area of land in respect of which the application is made is more than 1,000 square metres

Basis for this - Planning (Listed Buildings and Conservation Areas) Regulations 1990 - regulation 5A (as amended by The Planning (Listed Buildings and Conservation Areas) (Amendment) (England) Regulations 2015

- P7 Local authority/ies own applications for planning permission for relevant demolition in conservation areas. (see note 2)

Basis for this - Town and Country Planning General Regulations 1992 (as amended by the Town and Country Planning General (Amendment) (England) Regulations 2015

Note 1: There is a difference between Consultation and Notification. When LPAs consult on applications, there is a duty to provide a substantive response to the LPA within 21 days. A notification from the LPA is to enable representations to be made if we so wish, and to respond within 21 days. Historic England does not make a distinction in its handling of advice work.
