- Proposed works to remove loose plaster and repair on where required following works that have been approved in the previous listed building consent.
- Removal of lath and plaster to upgrade fire and acoustic integrity of the walls. Works includes extending the compartment walls up to underside of roof.
- Works to include the same as the areas indicated with a blue line. Although this section of wall includes extending the compartment wall up to underside of roof. Please refer to drawing no. L24_851

NOTE
Lining to stairs yet to be carefully investigated. The proposal will include upgrading the staircase enclosure to achieve 1hr fire resistance.
