

Technical drawing of a window frame assembly. The overall width is 1725 and the overall height is 1690. The drawing shows a 2x3 grid of panes. The panes are labeled A, B, and C. The sections are labeled D. The drawing includes section lines A-A and C-C, and dashed lines indicating internal components like the muntin and sash.

Exterior

Technical drawing of a window frame assembly. The overall width is 1695 and the overall height is 1665. The drawing shows a 2x3 grid of window units. The top row units are labeled 'A' and 'B' with arrows pointing left, indicating they are horizontal sliders. The bottom row units are labeled 'C' with arrows pointing down, indicating they are vertical sliders. Dashed lines within the units show internal components like sashes and guides. The drawing is a detailed cross-section or plan view showing the frame, sash, and hardware details.

NOTES:

Report all discrepancies, errors and omissions
Do not scale from this drawing.
Verify all dimensions on site before commencing any work or preparing shop drawings.
All materials, components and workmanship are to comply with all the relevant British Standards, Codes of Practice, and appropriate manufacturers recommendations that from time to time should apply.
For all specialist work, see relevant drawings.
