2019/0725/P	Fortune Green and West Hampstead NDF	28/02/2019 11:25:03	SUPPRT	"Fortune Green and West Hampstead NDF supports this application. The mansard roof largely matches neighbouring existing or approved mansard roofs and the application includes more restoration of the original facade of the pub than all previous applications. We believe that the development will help to maintain the economic viability of the pub, which in turn will support the economy of Mill Lane."
2019/0725/P	Joanne Scott	28/02/2019 23:31:42	OBJ	I have concerns that the Mansard roof extension will be overdevelopment of the building. If this application is granted the planning officer should ensure that the original Victorian roof details are preserved, rather than demolishing the roof and rebuilding an exact replica.
