Dear Sir / Madam

Section 73 Application for Planning Permission and Listed Building Consent – The Italian Hospital, 40-41 Queen Square, London, WC1N 3AJ

We write on behalf of our client, Great Ormond Street Hospital for Children NHS Foundation Trust, to submit a Section 73 planning application and listed building consent application in respect of the change of use of the existing building, associated external and internal alterations and extensions to the existing building to create a dedicated sight and sound outpatient's facility. We seek to vary a condition of the approved plans and associated reports following granted planning permission. The decision notices were issued on 21.06.18 under the references 2017/3933/P and 2017/3938/L.

The following documents form part of the application:

- Application form
- Design and Access Statement (including summary of changes on page 8)
- Demolition Plans, Sections and Elevations
- Proposed Plans, Sections and Elevations

Should you require any further details in respect of this planning application please contact Sonnemann Toon Architects LLP.

Yours Sincerely,

Laura Massey
Architect

For and on behalf of Sonnemann Toon Architects LLP
