Dear Matthias,

**TfL Reference: CMDN/19/240**  
**Application Reference: 2019/0754/P**  
**Vent Shaft of Euston Square Underground Station, Euston Road, London**  
**Erection of outer steel cladding on steel frame onto existing concrete vent shaft, and installation of green walls on both side (Sui Generis)**

Many thanks for consulting TfL with regard to the above application; however considering the scale, nature and location of the proposal TfL has no objections.

Kind regards,

**Archie Burton**
