

Scope

Overview:
 The existing shop is to be extended into the jet wash bay.
 The shop is to become Deli by Shell with Gen 5 spec.
 There will be some forecourt works with island moved, extended or shortened.

First Visit

- 1) Remove all signware from stanchions and freestanding secondary signs. Some signware to be reused on second visit, some items to be disposed, **to be advised if CSUs are to be replaced with new bins and bollard fitted leader boards.** Signware to be wrapped and stored of site, items to be reused to be cleaned.
- 2) Remove flag sign and dispose.

Second visit

- 1) Install new price display unit
- 2) Canopy fascia is to be cleaned on all elevations.
- 3) Shop re-branded deli by Shell.
- 4) Refurbish damaged signware.
- 5) Install new external signware.
- 6) Install new internal signware.
