Good afternoon,

I am writing in relation to address: Flats A-D, 59-61 Camden High Street, NW1 7JL.

We are the managing agents with authority to discuss the account. Having spoken to a member of the customer services team today I have had confirmation that you have a record of 4 individual flats (A-D) at the above address. As advised, I understand account information can only be shared regarding the current active accounts for each flat, the advisor I discussed the account with has advised for me to email and request any historical information via yourselves.

I am requesting the date from which there have been 4 active accounts (Flats A-D) at the property.

If dates cannot be provided for any reason, we would alternatively like to confirm that there have been 4 individual accounts for (Flats A-D) for a period spanning back 4+ years.

I await a response and thank you in advance for any information provided.

Kind Regards

Charlie
