Please state why a Lawful Development Certificate should be granted

This evidence identifies and provides confirmation for each of the 4 flats comprising Records of rent payment, Council tax confirmation, Thames water confirmation, Energy Performance Certificates, Building insurance schedules, a Statutory Declaration from the landlords Power of Attorney and the provision of a Deposit Protection Certificate for Flat B.

All the evidence collated regarding the use of the flats across first and second floors of 59 – 61 Camden High Street NW1 7JL, identifies, on the balance of probability, 4 flats to have been in continuous use as fully self-contained (Class C3) flats for in excess of four years. The period covered by each piece of evidence is set out above within this report for ease of reference.

The evidence provided demonstrates that all 4 flats subject of this application for a CLEUD have been provided as fully self-contained (Class C3) flats for in excess of four years. There are no shared facilities whatsoever. Each unit is wholly self-contained with the full range of services required for day to day living.

The accompanying application for a Certificate of Lawful Existing Use or Development (CLEUD) has been submitted to regularise the use of these flats within the property and eliminate any uncertainty currently surrounding their lawful use.
