#### Key to the table

**Council Tax band** - this determines how much Council Tax you pay.

#### Council Tax band

For Council Tax purposes, all properties have a Council Tax band (A-H in England, A-I in Wales). The band is based on the property's value on 1 April 1991 (for England) or 1 April 2003 (for Wales).

**Improvement indicator** - if a property has been improved or extended since it was placed in a Council Tax band, the VOA can't review the banding to take account of the alterations until it's sold. Once a sale takes place the banding will be reviewed. As each Council Tax band covers a range of values, the band isn't always increased following improvements and a sale.

**Mixed use property** - a property can have a domestic or mixed use - "yes" identifies a mixed use property.

**Court code** - a court code shows the Council Tax band has been reviewed by a Valuation Tribunal or the High Court.

#### Court code

A property will have a court code if the Council Tax band has been changed (determination) or confirmed (confirmation) by a Valuation Tribunal or High Court. The codes are:

V - Valuation Tribunal determination

C - Valuation Tribunal confirmation

D - High Court determination

H - High Court confirmation

R - Valuation Tribunal re-determination following High Court referral

E - High Court consent order
