2019/0716/L	David Reed	06/03/2019 10:20:14	OBJ	The massive and intrusive set of advertising boards proposed to surround the old fire station building must not be allowed under any circumstances. It will destroy the local ambient streetscape for most of the year and is not needed in today's world. And why have you made this a set of applications instead of a single one showing ALL the signs planned?
