| 2019/0974/L            | Karen Smith             | 05/03/2019 20:53:00 | COMNOT          | Hello - I live near Jack Straws and Walk my son to school part it every day. while I believe the building should be in use I would be concerned about it by a school and Heathside especially. I would like to view the plans and comment before the 12th March deadline - but am apparently unable due to copyright. this is very strange. can someone please let me know how it will be possible to see and comment on the plans? many thanks |
