4. Description of the Proposal

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s).

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

This submission is requesting Planning Permission and Listed Building Consent for alterations to the existing Grade I Listed Georgian property. The following works are proposed:

- Existing panelling within entrance hall at ground floor removed to open up access to the lower ground floor, and create a more generous sense of space on arrival.
- New handrail and balustrading installed between ground and lower ground floor levels.
- New comfort cooling throughout including new fan coils positioned to avoid clashes with existing joinery.
- New condenser units installed within the existing roof valley concealed below the existing front and rear ridge lines
- Repair and making good works are proposed to the main building. In each these works will be 'like for like' localised repairs. Refer to the drawings for the extent repair works to the existing building.

For further information regarding impact of this proposal on the significance of the existing building, please refer to the accompanying Heritage Assessment prepared by Anthony Walker.

4. Description of the Proposal

Has the development or work already been started without consent?

Yes No

5. Listed Building Grading

1979

(Date must be pre-application submission)

Please provide a brief description of the building or part of the building you are proposing to demolish

The enclosure to the staircase down to the basement.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The doorway does not sit comfortably with the panelling at the side and the removal of the enclosure which is a late 20th century addition from around the late 1970's will improve the lighting of the hall and the appearance of the entrance. A new balustrade is provided down to the ground floor to match the existing pattern and a simple metal handrail and balusters is extended down to the basement.

7. Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

Yes No

8. Listed Building Alterations

Do the proposed works include alterations to a listed building?
