2018/6360/P	Linus Rees	11/03/2019 22:18:57	COMMEMA IL	No objection to change from garage to residential. Object to air conditioning units because of potential noise nuisance to surrounding properties. Loss of off-street parking needs to be balanced with legal agreement and condition for car-free development, in this high access to public transport area, to prevent any application for on-street parking.
