Dear Mr da Costa,

Re: Discharging of Pre-Occupation Conditions at 30a Thurlow Road Ref – 2015 /5409/P

In your recent email you have for clarification of the following –

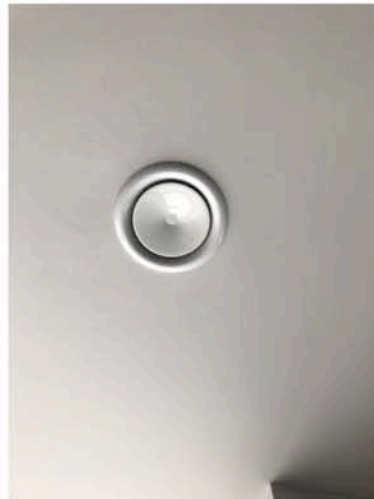

Insulation – see below photo of insulation prior to installation (left) and a photo of the insulation being fitted and partly installed within the wall construction (right).

Windows – see below photo which shows windows being installed with stickers on it saying 'Isolar-Glas'.

Air Source Heat Pump and MHVR – photos take Feb 2019 of plant in situ.

I trust all of the above is satisfactory and meets with your approval. Should you require any additional information please don't hesitate to get in touch.

Kind regards,
