Dear Mr. Dempsey,

We spoke about the proposed advertising hoarding sited overlooking Lambolle Place and eastward down Eton Avenue. I understand it would be similar to the hoarding put up recently on the same site to my astonishment. I object to the developer's proposal.

I consider anything like it or even much smaller on this site to be a gross and unsightly intrusion in the area, and as such should not be permitted. Moreover if it was accepted it would set a precedent for similar advertisements which as yet are not allowed around here.

Thank you for discussing the proposal with me.

Sincerely

John Mason
