2019/0717/L	Andy Turner	07/03/2019 14:30:06	OBJ	Dear Sir/Madam, I object to this application as it falls within the Belsize conservation area, which within it's statement on Camden Councils own website 'prohibits the display of estate agents boards' and states 'A profusion of estate agent's boards can have a detrimental impact on the environment in terms of visual clutter'.The proposed boards are huge and if you approve this application you will open the flood gates to any estate agent or developer applying to putting up advertising boards throughout all the boroughs conservation areas.
