2019/0737/L	Kathleen Murray	08/03/2019 16:42:56	OBJ	In case it is necessary to comment on both applications please see my comments on 2019/0004/P. My main objection relates to the proposed introduction of two new gates onto Tower Court, a pedestrian walkway surrounded by listed buildings. The proposed gates would negatively impact the character of this protected environment, damage trees, endanger pedestrians' safety and potentially introduce antisocial noise, smells and sights.
