The existing machine does not have cctv coverage and the area is being made safer by the removal of two local recessed lobbies. It is also not the policy of Nationwide to install cctv cameras specifically trained on the atm's either inside or outside the branch as there are onerous data protection issues.

It is not part of the Nationwide brand to have visible external cctv cameras and there are none on any Nationwide branches UK wide.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
