2018/5989/P	M Michaelson	14/03/2019 06:40:48	OBJ	<p>I object to the raising of the boundary wall between numbers 30 and 34 Orman Road. Our house is situated on higher ground than these two properties and several other properties on Orman Road. At present, we have an outlook over all the rear gardens behind our house which include 17a Belsize Lane, 40 Orman Road, 38 Orman Road, 34 Orman Road, 30 Orman Road, 28 Orman Road and 26 Orman Road. All these properties have the same height of boundary walls or fences. The raising of the single wall between numbers 30 and 34 Orman Road will be unsightly and obtrusive, and totally spoil the harmonious character of the shared rural outlook of this part of the neighbourhood. This rural aspect is an integral part of the conservation area which defines this neighbourhood.</p>
2018/5989/P	Ivan Fiser	14/03/2019 10:01:38	COMMFMP ER	<p>I object to the excessive height of this fence which if erected will be obtrusive and out of line with the rest of the boundary walls that separate our properties and which is currently consistent throughout. Our property is immediately opposite the proposed fence and the proposed height would obstruct our views and considerably undermine a harmonious outlook of all the gardens in this small triangle created by Orman Road and Belsize Park. As this is a nature conservation area the proposal would also be in breach of regulations protecting this important feature of our neighbourhood.</p>
