2019/0406/P	S.Silverstone	15/03/2019 15:38:18	COMMEMA IL	<p>This is not a minor alteration.</p> <p>The proposed building is higher than the existing boundary fence to the detriment of the adjoining freeholder. The applicant has no right of way over Tudor Close (adjoining) to carry out works thus materials will need to be delivered through the front door of number 46.</p> <p>The rainwater goods appear to drain straight to the ground not into a drain thus creating a potential flood/slip risk to adjoining property/users.</p> <p>The proposed structure is very close to the boundary fence.</p> <p>The building works may damage the boundary fence and adjoining property</p>
2019/0406/P	James Mortimer	16/03/2019 09:53:13	OBJ	<p>This does not appear to be a minor alteration. The proposed structure is very close to the boundary fence and the proposed building is higher than the existing boundary fence to the detriment of the adjoining freeholder. The applicant has no right of way over Tudor Close (adjoining) to carry out works thus materials will need to be delivered through the premises.</p>
