To Whom It May Concern

Dear Sir

**51 Fitzjohn's Avenue, London NW3 6PH**

You may be aware that some internal refurbishment works are presently being undertaken at 51 Fitzjohn's Avenue.

As required by Camden Borough Council we hereby give notice that it is our intensions to commence the construction of an extension to the existing front basement area of 51 Fitzjohn's Avenue. The purpose of the excavation is to extend the existing basement to provide space for an additional apartment as detailed within the Planning Approval Ref: - 2013/7379/P dated 30<sup>th</sup> March 2015.

That part of the front of the building where such works are to be carried out will have a protective hoarding set immediately behind the back line of the pavement. All waste and excavated material will be disposed of using skips. There is no reason why you should be in any way inconvenienced by the proposed works, but should you have any questions, please do not hesitate to contact us.

Yours faithfully
