

Job Profile Information: Team Manager – Youth Early Help Service

This supplementary information for Team Manager – Youth Early Help is for guidance and must be used in conjunction with the Job Capsule for Job Level 4 Zone 2

Camden Way Category: 4

It is for use during recruitment, setting objectives as part of the performance management process and other people management purposes. It does not form part of an employee's contract of employment.

Role Purpose:

- To provide operational leadership for a multi-disciplinary team to deliver high quality outcome focused universal and targeted services to young people in Camden.
- To take responsibilities for ensuring services are delivered in line with local and national standards, ensuring safe, effective and consistent delivery across the team
- To work in partnership with a wide range of services, both locally and across Camden.

Example outcomes or objectives that this role will deliver:

- To manage, support and motivate a team of multi-disciplinary workers to ensure the effective delivery of services to young people that meet local and national standards, ensuring that the service provision is complaint and can adapt to legislative requirement relating to young people services.
- To provide management oversight of cases within the team, ensuring risk and vulnerability is addressed adequately.
- To ensure effective delivery of innovative and progressive youth work curriculum
- To develop a cohesive high performing and empowered team that can adapt and respond to drivers and changing environment and are able to respond to changes triggered by both users and Service needs.
- To utilise effective planning, monitoring and evaluation techniques to map, analyse and assess the quality of the work being delivered, reviewing regularly against quality assurance and local and national inspection frameworks, taking action when required to address work that falls below a satisfactory standard
- To ensure service users are involved in all aspect of the work including in the assessment, planning and delivery of interventions and programmes, ensuring that the service users feedback inform service development and delivery.

- To establish and maintain strong partnerships with relevant professionals and agencies to share information, reduce duplication and enable young people access to other services.
- To act as operational lead for the respective team and represent the Service/Council in various forums as required, offering information, advice and data as and when required.
- Undertake all relevant managerial and administrative duties, including budget and asset management, completion of reports, supply of statistical/management information.
- Devise team plan and contribute to the development of service plans and procedures for the service to ensure these reflect the needs of young people.

People Management Responsibilities:

The post holder will be responsible for managing a multi-disciplinary staff team and have direct management responsibility for approximately 7 staff, taking overall responsibilities for managing performance of the team and service area. In addition, be responsible managing budget, a youth hub and resources associated with the centre and team.

Relationships:

- The post holder will be expected to communicate at all levels, from front line staff to senior managers and members as and when required.
- The post holder will be working in a multi-agency context receiving and sharing information to safeguard young people.

Work Environment:

The role involves management of a community based; agile team and so would require the post holder to also work from a variety of locations within the community as well as council buildings.

This role also involves regularly contact with people, some of whom may at times be challenging and as the manager the post holder would be expected to address any concerns raised in the context of the work.

There is a requirement to be able to work flexibly and outside normal office hours when required and be flexible and adaptable to ensure consistent provision of service.

- Proven experience of supporting staff and partners to develop and deliver outcome focused service provision
- Experience of planning, monitoring and evaluating work against national inspection frameworks and national / local performance indicators
- Proven experience of working with a substantial degree of autonomy and personal responsibility

Camden Way Five Ways of Working

In order to continue delivering for the people of Camden in the face of ever increasing financial pressure, we need to transform the way we do things. We call this the Camden Way. The Camden Way is a key part of our transformation strategy often referred to as the transformation triangle which links the Camden Plan, the Camden Way and the Financial Strategy together.

The Camden Way illustrates the approach that should underpin everything we do through five ways of working:

- Deliver for the people of Camden
- Work as one team
- Take pride in getting it right
- Find better ways
