Our DTS Ref: 55423  
Your Ref: 2019/0587/P - Piling condition

18 March 2019

Dear Sir/Madam

Re: 246-248, KILBURN HIGH ROAD, LONDON, NW6 2BS

#### Waste Comments

Thank you for consulting Thames Water for the discharge of matters relating to piling. Thames Water confirm they are happy for the piling condition referenced, to be discharged based on the information submitted.

#### Water Comments

#### Supplementary Comments

Thames Water have reviewed the information provided and agree to discharge Condition 12. This is based on the understanding that piling/demolition works are carried out in accordance with drawing L18/064/04-600-C1 and L18/064/04-500-C1 and piles are bored piles as per RAMS by Cannon Piling ref 2941/46233. Please advise Thames Water if these plans change so that we can re-assess the risk to our assets. Please discharge Condition 12.

Demolition, piling and excavation works all have the potential to adversely impact Thames Water assets. Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Yours faithfully  
Development Planning Department
