project	56 Dartmouth Park Hill	job no.	180447
		drg no.	
title	Structural Construction Programme		
	date	2019	
	drawn	HH	
	checked	HH	

rev	date
-----	------

Note : This is a suggested construction programme : a CMP and construction programme will be provided by the appointed contractor.
 This covers structural works to the basement only, and does not therefore include works to be carried out elsewhere in the property, which maybe carried out concurrently or may prolong the programme as suits the extent of works.
