Dear Sirs,

**12-14 Greville Street,  
Redevelopment and Basement Construction**

I confirm that Price & Myers LLP has been appointed by Workspace Limited as Structural Engineer on this project with a remit covering the design and specification of all structural and below ground drainage elements required for the new construction and redevelopment of this site. The appointment is in accordance with the ACE's Professional Services Agreement 2017, for services and core deliverables listed in Part 2 of the Schedule of Services as a Civil and Structural Engineering Non-lead Consultant. I further confirm that the duration of our services will match the full duration of the site works, i.e. until the completion and handover of the project. Site visits will be about every 2 weeks during the structural work to monitor that the works are being executed generally in accordance with the contract and good engineering practice.

Yours sincerely,  
for Price & Myers
