Dear Sir/Madam,

EE LTD & HUTCHINSON 3G UK LTD:

FULL PLANNING APPLICATION FOR PROPOSED 5G (FIFTH GENERATION) UPGRADE TO EXISTING EQUIPMENT AT:

12 OVAL ROAD, HELICAL BAR, CAMDEN TOWN, LONDON, NW1 7BH

UPGRADING TELECOMMUNICATIONS EQUIPMENT WOULD NORMALLY BE PERMITTED DEVELOPMENT. HOWEVER, FULL PLANNING PERMISSION IS SOUGHT FOR A NUMBER OF UPGRADES IN THE UK EITHER BECAUSE THE EQUIPMENT IS LOCATED WITHIN A CONSERVATION AREA, ON A LISTED BUILDINGS OR THE TYPE / SCOPE OF EQUIPMENT DOES NOT BENEFIT FROM PD RIGHTS.

We write on behalf of EE LTD and Hutchinson 3G to make a formal full planning application for the proposed upgrade of telecommunication apparatus to the existing site at the above location.

The location has been identified as being necessary for EE LTD business development and meets its specific technical and operational requirements. We now make a formal application to you as planning authority.

Please find enclosed the associated application package comprising: -

- Required number of copies of completed planning application forms (Part 1 and 2);
- Required number of copies of associated Planning Drawings Ref: 98472.
- Required number of copies of the Statement made in support of the application which contains the following;
- ICNIRP Certificate.
- General supporting information regarding operation of networks.
- Cheque of £ 462.00.

We trust this will be acceptable and look forward to discussing the merits of this proposal with you in the near future. In the meantime should you require any additional information or have any queries relating to this application, please do not hesitate to contact (Damian Hosker BA (Hons) MA MRTPI) at the above address.

Yours faithfully,

(Damian Hosker BA(Hons) MA MRTPI)
Principal Planner
