2019/1259/L	susan rose	25/03/2019 10:11:44	COMMEMA IL	Highgate CAAC are concerned that there is no mention of any period features and joinery still existing in this application nor of any attempt to establish whether anything of this nature is still in situ. The architect does not appear to specialise in listed buildings. WE feel a more nuanced and careful approach is necessary with full regard given to the preservation of any joinery etc from the relvant period.
