2019/1295/P	Peter Jones	28/03/2019 08:15:36	COMMNT	<p>I would welcome this development that may help the Albert Pub to re-open as a community asset. The garden is a particularly attractive feature of this Pub and it would seem that the proposal will enhance this feature and help the pub to trade well.</p> <p>I would however ask the planners to make sure that the development is not a wedge to turn the pub into residential accommodation at a later date.</p>
