Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
27 Crediton Hill
London
NW6 1HS

Proposal:
External alterations including installation of front gable window and roof-light; and installation of rear dormer window and roof lantern above enlarged ground floor rear extension.

Drawing Nos: 7251/-01, 7251/-02, 7251/-03, 7251/-05 A, 7251/-06 A, 7251/-07 A, 7251/-08 A, 7251/-LP, 7251/-04

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely

as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 7251/-01, 7251/-02, 7251/-03, 7251/-05 A, 7251/-06 A, 7251/-07 A, 7251/-08 A, 7251/-LP, 7251/-04

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The size, scale and traditional design of the proposed rear hipped roof dormer would match that of the existing rear dormer at the host property, and is considered to represent a proportionate addition that would sit comfortably within the existing rear roof slope. The proposed dormer would also match the size and design of neighbouring rear dormers in the street, ensuring no harm is caused to the character and appearance of the wider conservation area.

Similarly, the alterations to the existing ground floor rear extension which include the replacement of the pitched roof with a flat roof and roof lantern and an increased in depth of approximately 1m, are considered to represent minor alterations that would not have a significant impact on the character and appearance of the host building.

Furthermore, the introduction of a small picture window in the existing front gable and the installation of a conservation style roof light on the existing front roof slope are considered to be acceptable in terms of their design impact, particular given the prevalence of such apertures to neighbouring properties in the street.

The proposed alterations would not cause harm to the amenity of neighbouring residents in terms of loss of light, outlook or privacy.

No objections were received following statutory consultation. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposal is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017. The proposed development also accords with

the policies of the London Plan 2016 and National Planning Policy Framework 2019.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel.
