F. REASON FOR THE APPEAL

The reason for the appeal is that the LPA has:

1. Refused planning permission for the development.
2. Refused permission to vary or remove a condition(s).
3. Refused prior approval of permitted development rights.
4. Granted planning permission for the development subject to conditions to which you object.
5. Refused approval of the matters reserved under an outline planning permission.
6. Granted approval of the matters reserved under an outline planning permission subject to conditions to which you object.
7. Refused to approve any matter required by a condition on a previous planning permission (other than those specified above).
8. Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval.
9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation.

G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

2. Hearing

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

the box below

A hearing is requested for the following reasons:

1. The appeal raises detailed and contentious issues with regard to the proposed design, and its impact on the listed building and conservation area, which are best tested through direct oral questions by the Inspector.
2. Evidence will be presented by expert witnesses on a number of issues on behalf of the Appellants, This evidence will need to be carefully presented to and understood by the Inspector, who will no doubt wish to ask questions of the experts and indeed of third parties who have consistently wished to make representations relating to the Appellant's proposals.
3. The consultation responses received to date demonstrate that there are significant third party / neighbourhood group interests. It is clear that a number of stakeholders, including local residents, Councillors and community groups would wish to be heard at the appeal. Interested persons who wish to make oral representations should be permitted to do so rather than having to do so through correspondence to the Inspectorate. This is particularly true of this site, due to its prominent location.

3. Inquiry
