4. Description of Proposed Works

Please describe the proposed works:

Rear first floor extension and loft conversion with sympathetic dormer structure to the rear.
The first floor extension is to provide the family with a much needed family bathroom which does not exist within the current layout.
The conversion of the loft to create a usable room will make better use of the space and allow for the necessary storage required for the house.

Has the work already been started without consent?

Yes No

5. Materials

Does the proposed development require any materials to be used?

Yes No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material):
