

Design and Access Statement

51 Highgate High Street

Application for Listed Building Consent for addition of a vent

A vent is required so that a chiller can be installed, for the business intending to lease the ground floor retail unit.

This is to be on the rear of the building, 500x500mm, and will be white to match the white painted brickwork.

This will be a minimal intervention, and not conspicuous to passers by or in any way detracting from the appearance of the building.
