BY PLANNING PORTAL

5 April 2019

Dear Sir,

PROPOSED UPGRADE OF EXISTING BASE STATION INSTALLATION AT CTIL 149987 - 60 CLEVELAND STREET, LONDON, W1T 4JZ (NGR: 529225, 181922)

This submission is an application for full planning permission and listed building consent and is in accordance with the Electronic Communications Code (as amended) for permission for the development of:

The replacement of 6 no. antennas on the roof of the building and development ancillary thereto at 60 Cleveland Street, London (NGR: 529225, 181922).

This application is submitted for and on behalf of Cornerstone and Vodafone Limited.

The application comprises:

- Planning Application form and certificates;
- Planning drawings - Ref. No's: 100A, 200A, 201A, 300A and 301A;
- Prescribed fee - £462 (paid electronically upon submission via Planning Portal);
- General Background Information for Telecommunications Development;
- Site Specific Supplementary Information (including Design and Access Statement);
- CIL Questions form;
- ICNIRP declaration & clarification statement.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (November 2016).

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
