Subject: 2019/1865/T - Request to reduce eucalyptus tree at 32 Langbourne Avenue

Dear sir/madam

I'm writing to request permission to reduce the eucalyptus tree at the back of my rear garden by 1/3, something that the previous owner (Captain Anthony Casdagli) of my property had done every few years since 2001.

Application type:

Notification of Intended Works to Tree in a Conservation Area

Description of works:

Rear garden 1 x eucalyptus - crown reduce to previous reduction points

Address:

32 Langbourne Ave, London N6 6PX

Previous application references regarding the same tree include:

2016/2014/T

2011/6345/T

2005/0598/T

Please let me know if you need and further information, and about the next steps.

Yours sincerely
