Dear Charlotte,

Thank you for consulting HS2 Ltd on the above matter.

Having reviewed details of the proposed non-material amendments for which consent is being sought as part of the current application in the attached covering letter and the nature of HS2's safeguarded interests in that location, (sub-surface) I confirm that HS2 Ltd has no specific comments to make on the application to vary condition 2 of the planning permission.

I trust the above is sufficient for your purposes however do get in touch if there are any further queries.

Yours sincerely,
