## 4. Description of the Proposal

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s).

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Installation of a boiler and connected boiler flue which would exit through the back wall of the building's rear elevation.

The works will involve following:

- Instalment of a new boiler in the lower ground floor kitchenette.
- Creation of an opening in the back wall of the lower ground floor kitchenette.
- Instalment of new boiler flue to exit the rear of the building.

The detailing of the boiler and the boiler flue is non-intrusive comprising a small opening for the boiler flue in the back wall as necessary and it's visual effect on the rear elevation will be negligible. The flue will not be visible from the public domain.
