FAO John Diver

Thank you for allowing me to comment on planning application 2019/1556/P which relates to the temporary erection of a marquee within the piazza area of The British Library, 96 Euston Road, NW1 for a period of 7 weeks.

This structure was in place last year and there was no increase in crime or anti-social behaviour as a result of its temporary placement. I have read the 'Design and Access' statement and there is nothing that is causing me concerns about the current application. I am fully aware of the security management strategy in place for the location and if that is maintained to take in account the marquee as they did last year then there should be no issues. This is to carry out a security sweep of the piazza to make sure no one is still present when the piazza is locked down for the night.

I have no objections to this application.

Kind regards

Jim
