Dear Sirs,

Castlewood House (77-91) and Medius House (63-69), New Oxford Street, London, WC1A 1DG

**Discharge of Condition 38 of Planning Permission Ref. 2017/0618/P
Remediation Scheme**

On behalf of our client, Royal London Mutual Insurance Society, we enclose an application to discharge Condition 38 of the planning permission ref. 2017/0618/P ('the planning permission').

Background

The Planning Permission dated 21 December 2017, to which this application for approval of details relates, is for the following development:

“Demolition of existing office building at Castlewood House (Class B1), and erection of an 11 storey office building (Class B1) with retail and restaurant uses (Class A1/A3) at ground floor level; enlargement of existing double basement level and formation of roof terraces and rooftop plant along with associated highways, landscaping, and public realm improvement works. Partial demolition of Medius House with retention of the existing façade, and erection of a two storey roof extension including private roof terraces, in connection with the change of use of the building from office (Class B1) and retail (Class A1) to provide 18 affordable housing units (Class C3) at upper floor levels with retained retail use at ground floor level”.

Condition 38 – Archaeology

Condition 38 of the planning permission requires the following:

“No development other than demolition to existing ground floor level, shall take place until a stage 1 written scheme of investigation (WSI) has been submitted to and approved in writing by the local planning authority. For land that is included within the WSI, no demolition or development shall take place other than in accordance with the agreed WSI, and the programme and methodology of site evaluation and the nomination of a competent person(s) or organisation to undertake the agreed works. If heritage assets of archaeological interest are identified by stage 1 then for those parts of the site which have archaeological interest a stage 2 WSI shall be submitted to and approved in writing by the

local planning authority. For land that is included within the stage 2 WSI, no demolition/development shall take place other than in accordance with the agreed stage 2 WSI which shall include:

- a) The statement of significance and research objectives, the programme and methodology of site investigation and recording and the nomination of a competent person(s) or organisation to undertake the agreed works
- b) The programme for post-investigation assessment and subsequent analysis, publication & dissemination and deposition of resulting material. This part of the condition shall not be discharged until these elements have been fulfilled in accordance with the programme set out in the stage 2 WSI".

As required by the condition, the attached Written Scheme of Investigation (WSI) for an Archaeological Evaluation, prepared by MOLA, is submitted for formal approval.

Application Documentation

The following information is submitted via the planning portal:

- Planning Portal application form, prepared by Gerald Eve LLP; and
- WSI Archaeological Evaluation, prepared by MOLA.

The requisite application fee of £116 will follow in due course.
