2019/1248/P	Oliver Bassett Cross	11/04/2019 14:31:40	OBJ	Hello, [REDACTED] I live with four other housemates and we would all like to object to this work taking place. There was work previously being done in this building and the drilling kept us up all night. The drilling and noise would usually start at midnight and continue on throughout the night. We don't want to have to go through this again as we all have jobs and need to get sleep. I look forward to hearing back. Thanks
