2019/0899/P	Richard Simpson for Primrose Hill CAAC	04/04/2019 18:33:03	OBJ	<p data-bbox="667 761 1050 790">ADVICE from Primrose Hill Conservation Area Advisory Committee</p> <p data-bbox="667 808 1026 842">3 April 2019 44-44A Gloucester Avenue NW1 8JD 2019/0899/P</p> <p data-bbox="667 860 722 873">Objection.</p> <p data-bbox="667 891 1294 958">We object on the grounds that the proposal would be visible in long views from Chalcot Road along Edis Street, and indeed in views from Edis Street itself. This would be harmful to the character and appearance of the conservation area, where such views are of recognized significance. We accept that it would not be visible from other locations in the CA.</p> <p data-bbox="667 976 1278 1010">If it were to be shown in a verified section, drawn from the far side of Chalcot Road along Edis Street, to the railway line, that the proposal would not be visible, we would reconsider this objection.</p> <p data-bbox="667 1028 794 1055">Richard Simpson FSA Chair</p>
