2019/0691/P	Samin Kashfi	12/04/2019 13:01:15	COMMNT	Property developer keeps stating that there is a garden shed in the garden of house no. 6. As the photo shows it is a small garden shed that blends in very nicely with the surrounding area and does not block anyone's view. What the property developer is proposing is to build a gym / office at the end of his garden which would be at least twice the size of the garden shed in garden of house no. 6. This gym / office he intends to build do not fit in with the character of surrounding area.
