2019/0611/P	Diana Foster	15/04/2019 23:45:30	COMMNT	<p>Dear Planning,</p> <p>I am somewhat concerned by the proposed changes, on two counts:</p> <p>1. the community use (the Cock Tavern is a Community Asset) and thus the need to provide suitable access to the Function Room, for the whole community, including disabled and Muslim residents</p> <p>From a Heritage perspective, I'd like to retain character of the existing signs at the front, namely the hanging painted colourful pub signs of images of the Cock.</p> <p>The proposed signage (At least that shown in the diagrams) does not include these features of coloured images, and increases the size of the horizontal wording, thus obscuring some of the front of the building.</p> <p>Thank you, Chair History Club</p>
