2019/1697/P	Juan Estevez-Breton	15/04/2019 12:21:39	OBJ	I want to object this application mainly on environmental grounds: there are several mature trees within the space where the proposed new houses would be built; it would be a great loss to have them felled. As the owners of the proposed new houses are very likely to own cars, that would add to the air pollution, the noise and the congestion on our street(Frognal). Last but not least, the houses surrounding the proposed development, would certainly lose day light and privacy as there would not be sufficient distance between them and the new ones.
