**Subject:** Objection to Planning Application 2019/1163/P

Please accept this email as our strong objection against the above planning application in turning the costcutter supermarket being turned into a restaurant. We do not need any more restaurants in this small residential area. There will more noise then at present present when the restaurant closes. The restaurant will only serve desserts so it does not need to extraction equipment and the can sell the company on to another company who could be much more noisy to residents. I cannot believe a restaurants only going to serve desserts!
