2019/1281/P	Judith Pearson	16/04/2019 12:09:09	OBJ	<p>How can it be like-for-like windows when Beaumont Walk is due for window replacement later this or early next year? No consultation to date. Chair of TRA - therealbwtra@talktalk.net - for details.</p> <p>Wood cladding on corner of the block was removed January 2019.</p> <p>Should planning permission be awarded this will take the refurb works at No 11 into month 18. It started December 2017.</p> <p>I insist on a start and end date as I will have to move out of my flat. The endless noise is affecting my health (GP letter available on request). Also if scaffolding required it MUST be alarmed</p>
