Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:
63 Endell Street
Covent Garden
London
WC2H 9AJ

Proposal:
Replacement of non-original front door.
Drawing Nos: Proposed Door - Victorian Four Panel (Amended); Front Door
Supporting Document; Location Plan

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Proposed Door - Victorian Four Panel (Amended); Front Door Supporting Document; Location Plan.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The application building is a grade II listed terrace house, which dates from the 18th century with a later 19th century shop front. The site lies within Seven Dials (Covent Garden) Conservation Area.

The proposal concerns the replacement of the non-original front door to Flat 1st, 2nd and 3rd Floor, 63 Endell Street. The new door is proposed to be four panelled, made of timber with fielded panels, and with simple door furniture.

The proposed replacement of the non-original front door involves no loss of historic fabric and therefore no harm would be caused to the building's significance. The replacement front door is also considered more in keeping with the historic character of the building, as such the application is supported.

The proposed works will not harm the special interest of the grade-II-listed building.

The application has been advertised in the press and by means of a site notice, whereby there were no objections. The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
