

All windows to be Aluminium Powder Coated

REVISION	D	C	DATE
----------	---	---	------

The contractor is responsible for checking dimensions, tolerances, levels and references. Any drawing to be used in conjunction with all relevant consultants or specialist engineers. The drawings are to be notified to Bailey Group LLP and certified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be used.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyright and patents therein are the property of Bailey Group LLP and may not be copied, reproduced, stored in a retrieval system, transmitted, distributed, sold, rented, leased, loaned, licensed, borrowed, disseminated, copied, or used in any form or by any means—electronic, mechanical, photocopying, recording, or otherwise, without written permission from the copyright owner.

This drawing may be used or reproduced without notice or attribution.

The contractor is responsible for ensuring that no products are in use that do not comply with relevant British and/or European Standards and/or Codes or in practice, CDMH Regulations and that the work complies with the requirements of the Building Regulations and that the design and construction be safe, sound, health and safety or to the durability of the works or not in accordance with good building practices.
