2019/1769/T	Louise Lewis	22/04/2019 17:50:57	OBJ	<p>The willow is a significant tree contributing greatly to the visual amenity of the streetscape. Unfortunately Fitzroy Park is gradually being urbanised with high fences, walls and solid gates replacing the verdant , rural character it used to have. The tre officer should inspect the tree to see if there is no other way forward. If the tree does have to be felled, a suitable replacement should be planted.</p> <p>Highgate Neighbourhood Plan Policy OS2: Protection of Trees and Mature Vegetation II. Within the conservation areas or when protected by a TPO, specimen, veteran and mature trees and mature vegetation, which have townscape, ecological or amenity value should be retained where possible.</p> <p>All works should be undertaken by qualified and experienced tree work contractors and be in accordance with BS 3998:2010 Recommendations for Tree Work. INFORMATIVE: Countryside and Rights of Way Act 2000 The applicant is advised that a tree may provide a habitat for plants and wildlife protected under the Countryside and Rights of Way Act 2000 especially where trees are dead or dying or if works are carried out during the nesting season.</p> <p>Louise Lewis Highate Neighbourhood Forum</p>
